XTS TREKSTAR OUTSOLE

The XTS outsole (cross terrain) is absolutely sure-footed. The self-cleaning sole profile with specially arranged and shaped studs adapts perfectly to the ground, ideal especially on unpaved surfaces. The hard-wearing TPU material is non-slip (SRC), antistatic and oil and petrol resistant. A shock absorber in the heel area ensures a softer step and protects the joints.

CUSHIONING MIDSOLE

A soft PU midsole optimally cushions the high impacts when walking and combines perfect stability and flexibility.

SCUFF CAP

Abrasion and scratch-resistant cap that protects the shoe from wear and tear, especially when kneeling, and thus extends its lifetime.

UPPER

Fine full leathers in combined with hightech textiles perfectly crafted with skilled workmanship offer superior comfort and guarantee an everlasting wearing pleasure.
