### XTS TREKSTAR OUTSOLE

The XTS outsole (cross terrain) is absolutely sure-footed. The self-cleaning sole profile with specially arranged and shaped studs adapts perfectly to the ground, ideal especially on unpaved surfaces. The hard-wearing TPU material is non-slip (SRC), antistatic and oil and petrol resistant. A shock absorber in the heel area ensures a softer step and protects the joints.

### CUSHIONING MIDSOLE

A soft PU midsole optimally cushions the high impacts when walking and combines perfect stability and flexibility.

### SCUFF CAP

Abrasion and scratch-resistant cap that protects the shoe from wear and tear, especially when kneeling, and thus extends its lifetime.

### UPPER

Fine full leathers in combined with hightech textiles perfectly crafted with skilled workmanship offer superior comfort and guarantee an everlasting wearing pleasure.
