Sizes: 39 - 48

Also available:

GRAVITY CTX MID
631120

GRAVITATION LOW
641080

STEEL

STEEL MIDSOLE

SLIP RESISTANT

BIG SIZES

FLEXIBLE TPU OUTSOLE

The depth of the sole profile improves the flexibility as well as the ground contact and has optimal liquid displacing properties. The high quality TPU is non-marking and resistant against abrasion.

CUSHIONING MIDSOLE

A soft and light PU midsole optimally cushions the high impacts when walking.

comfit® AIR FOOTBED

The newly developed, breathable ALBATROS® comfit® AIR footbed has elevations in the heel and ball area of the foot as well as a support of the longitudinal arch. This helps the foot keeping its natural position in the shoe and stimulates the musculature while walking. The slip-resistant textile cover is odour-resistant, moisture absorbing and washable at 30°C.

UPPER

Perfect for outdoor use - high-quality upper materials perfectly crafted with skilled workmanship offer superior comfort and guarantee an everlasting wearing pleasure.
